One of the marina rules states that no member is to anchor his/her boat to the dock. After a storm blew through Clarklake on Sunday evening, June 5, 2005 it was easy to see this was an important rule. The west dock middle fork nearly collapsed after a slip owner absently minded moored the boat to a dock stanchion. Upon inspection after the storm Dan Brown and the manager found two sections of the middle fork had pulled loose with the first dock section only held by two corners. Jon Griffin, Dan and Allan Hooper volunteered to help place the dock back together. Jon and Dan spent nearly an

hour repairing the dock while Al and Greg immediately placed two mooring posts for the member whose boat was improperly

moored.

Some important issues were raised with this situation.

1. Rules are important for

safety and property protection.

2. Updated information and boat registrations are required for proper identification.
3. When unsure what to do, Ask for help. CBBC has a great staff that is willing to help in any way.

This incident ended on a happy note. No property damage occurred and the boat that caused the problem was only charged \$15.00 for the installation of two mooring posts.

Kids Activity Day (KAD)

“Mom, I’m bored.”
What parent hasn’t heard that complaint?

CBBC has an answer for this kid’s summer-

time malady. Bring your children out for four hours each week of summer fun and food. For \$12.00 the first child and \$10.00 each additional child, you can treat your loved one to a craft activity, games, swimming and a meal from the snack bar. Kid’s Activity Day (KAD) will begin on Wednesday, July 23, 2005 from 12:00 pm

until 4:00pm. This weekly activity will continue throughout the summer. Reserve your spot by emailing your child’s name and the date your child will attend. On the appointed day you may write a check or pay cash for each child. We look forward to seeing your child soon.

MEMBERSHIP:

A "membership" includes the member of record (primary member) and may include a secondary member, most commonly a spouse, but in some cases another adult residing at the same address as the member of record. Also included as members, are children through the age of 23 years old residing at the same address as the member of record. In addition, with each membership comes the privilege of bringing up to six guests onto the grounds per-day at no charge.

MEMBER AS DEFINED ABOVE MUST BE PRESENT AT ALL TIMES FOR GUESTS TO BE ON THE GROUNDS AND IS RESPONSIBLE FOR THE CONDUCT OF THEIR GUESTS.

VISITING THE CLUB: MEMBER IDENTIFICATION

If the information is incorrect on the membership card or the club has an incorrect address they must be directed to the person in charge so it can be corrected.

Children who do not have valid picture identification with an address matching the Member of Record's address, to gain admittance to the club, must have a

dated note from the Primary/Secondary member stating the names of the Member's children attending that day and the name of the person responsible for the membership card. The person responsible for the membership card that day will be identified by valid picture identification to the name on the note. Under this circumstance only 3 guests will be allowed above and beyond the children and the responsible person attending.

In either case, if no one is at the gate, the sign-in procedure must be followed in the club-house.

When a primary/secondary Member and Children enters the gate, they will be identified as stated in the member identification section. At this time, any guests who will be attending must be identified. Example: My wife and 2 children are with me and I have more guests coming in 2 separate cars,

John Smith in one car and Sam Lewis in another car. These people will be identified by their driver's license to the name that was left at the gate and then the total number of guests they will be tallied. Any money due for extra guests is to be paid prior to member leaving grounds. In the event that this fee is not paid, the
